Brake Assist with Preview (BA) [22] 

● ●

---

4-wheel Anti-lock Braking System (ABS)

● ●

---

Blind Spot Warning (BSW) helps alert the driver to a vehicles detected in the blind spot area [23] 

○ ○

---

Forward Collision Warning (FCW). Using the QX60's radar rangefinder, this available feature helps alert the driver of an imminent collision by providing a visual and an audible warning. [24]

○ ○

---

Intelligent Brake Assist (IBA). This available active safety feature continuously monitors and analyzes closing speeds to a vehicle ahead or to a stationary obstacle. If the driver does not adequately respond to the Forward Collision Warning and a collision cannot be avoided, IBA will automatically engage the brakes to help reduce speed, thus mitigating the consequences of the impact. [25]

○ ○

---

Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) Systems. LDW sounds an audible warning when you start to drift out of your lane and LDP selectively applies the brakes to help ease you back between the lines. [26]

[20] Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle.

[21] Air bags are only a supplemental restraint system; always wear your seat belt. Do not use rear-facing child restraints in this vehicle. All children 12 and under should be properly secured in child restraints, booster seats, or seat belts, according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for details.

[22] Brake Assist with Preview is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to stay alert, drive safely, and be in control of the vehicle at all times.

[23] The Blind Spot Warning System is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you.

[24] FCW cannot prevent accidents due to carelessness or dangerous driving techniques. Always drive safely.

[25] IBA is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on IBA.

[26] The Lane Departure Warning/Lane Departure Prevention systems operate only when the lane markings are clearly visible on the road. Will not prevent loss of control. Speed limitations apply. Refer to your owner's manual for more information.

[27] VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.

[28] Tire Pressure Monitoring System is not a substitute for regular tire pressure checks.

[29] Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](http://siriusxm.com). ©2013 Sirius XM Radio Inc. [30] Driving is serious business. Only use Infiniti Connection™ and Infiniti Connection Plus services when safe to do so. Infiniti Connection™ and Infiniti Connection Plus services require compatible 2G GSM/GPRS cellular network provided by AT&T. 2G cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within Infiniti's control. AT&T has announced that on December 31, 2016, AT&T will terminate 2G network availability. Once the 2G network is terminated, Infiniti Connection and Infiniti Connection Plus services will not function unless equipment replacements, upgrades, or alternative 2G network coverage are available at that time, which Infiniti cannot guarantee. Infiniti not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades or roaming charges on alternative networks, if available). Certain vehicle services, including Google compatible services, provided by independent companies not within Infiniti's control and are subject to change without notice or liability to Infiniti and its affiliates and agents. Subscription Agreement required to enroll. Initial 12 months, beginning on your date of purchase, included complimentary. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will

continue for 1 year periods under the terms of your Subscription Agreement, or until 2G coverage is terminated on December 31, 2016 (if equipment upgrades or roaming charges are not available by that date). Terms and conditions of Subscription Agreement apply.

[31] Infiniti Personal Assistant is complimentary the first 48 months; paid subscription required thereafter. Communicates through a cellular network. Connection and signal strength may vary and be limited by location. Always give your full attention to driving. Avoid operating IPA in such a way that you can be distracted during vehicle operation. For additional information, please visit [www.infinitipersonalassistant.com](http://www.infinitipersonalassistant.com). IPA is available with all new vehicles purchased after October 1, 2011.

[32] AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

[33] All customers who buy or lease a new satellite radio-equipped Infiniti are eligible to receive SiriusXM Satellite Radio with a 3-month trial of the XM Select package, plus NavTraffic and NavWeather in properly equipped vehicles.

[34] Intelligent Brake Assist is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on Intelligent Brake Assist.

[35] Forward Collision Warning cannot prevent accidents due to carelessness or dangerous driving techniques. Always drive safely.

[36] BCI will not detect every object, and speed limitations apply. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. Check owner's manual for details.

[37] Distance Control Assist helps maintain a distance to the vehicle in front under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident.

[38] Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio/input jack while driving.

[39] The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses and suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

[40] The Lane Departure Warning/Lane Departure Prevention systems operate only when the lane markings are clearly visible on the road. Will not prevent loss of control. Speed limitations apply. Refer to your owner's manual for more information.
